WHITE	5798	N/R	N/R
RED	5036	N/R	N/R

> Constructed in 1994, the Negril Hills course was designed by Robert Simmons. Carved from hilly terrain, the course is characterized by rolling fairways, elevated tees and greens and magnificent views. Although hilly, the course is suited to those who enjoy walking during their game. Negril Hills' charming layout includes interesting features such as marshlands, tricky greens, sloping fairways and dogleg holes. Located close to the world-famous Seven Mile Beach, this course is one of Jamaica's most distinctive.

Tournaments Hosted:
CNBC Nations Cup
Heineken World Cup Qualifier
Jamaica Open

Acting Professional: Marlon Johnson
